MEMORANDUM FOR: Director of Training

SUBJECT : War Planner's Conference - 1958

1. During the forthcoming Conference the Support Services will again be expected to participate actively both in the formal presentation and the forum. I cannot stress too highly the importance of these conferences to the continued progress of support war planning.

2. In this connection, I should like to call your attention to the provisions of the attached memorandum from the Chief, War Plans Division, PPC. To secure maximum effectiveness of our formal presentation, each Support Service contribution should be limited to a brief account of what has been accomplished in the past year and what is foreseeable in the next year. From my observation of last year's Conference, there should be no need for any DD/S office to repeat organization or office structure, and I believe whenever possible one speaker from each office is more desirable than a series of speakers covering small segments of your organization.

3. In preparation for the Conference, I have asked the appropriate DD/S to handle the details of Support Service participation with PPC.
